## March 2012

## Bulletin Board

### 1. Win4Net participates in ISC WEST, IFSEC, and ESSEN this year.

You're cordially invited to ISC West (Las Vegas, USA), IFSEC (Birmingham, UK), ESSEN (Germany). To visit our booth,

ISC WEST : #12113

IFSEC : F13, Hall 5  
(CCTV surveillance section)

ESSEN : Not fixed yet

Brand New items will be released and shown during the fair. You can see product line up, general business concept, and vision of Win4Net in 2012.

\*For further information about exhibition and you'd like to schedule a meeting, please contact us

### 2. Win4Net and Indigo Security hold hands and walk together.

Win4Net and Indigo Security (<http://www.indigo-security.com>), which is one of the best standalone DVR manufacturer merged last year.

As two firms united and become bigger company, it is expected to provide more wide range of products to customers and succeed in generating cost efficient through economies of scale.

This will eventually turn to be benefit to the existing and potential customers of Win4Net and Indigo Security.
